

FOKUS 2011.  
The McGill Film Festival  
Presented by TVMcGill.

Guidelines :

1. Your film has to be submitted by March 11th at 5pm.
2. The film should be **no longer than 10 minutes.**
3. On the 11th you have to submit a video DVD that works in a DVD player. It is one submission per DVD. The film festival will not accept DVDs with more than one film on it. The DVD has to be labeled with title, contact, category and run time.
4. You must submit the DVD with the submission form available online for download on the tvmcgill website. On the submission form is a release form that will allow TVMcGill to use your footage for the festival and to upload your film on the Fokus page on our website with the original credits. We do not have official music release form, you are allowed to use any music you would like in your movie.
5. You have to be prepared to submit your film on a data DVD as an uncompressed .mov file if you are selected for the festival. This DVD will be needed on March 21st. If you do not submit this DVD on time your film will not be featured in the festival.
6. We will email the results by March 18th. In the acceptance email we will remind you about the data DVD.
